## In Memory of Richard McCormick

In 1970 the Anselmo-Merna High School acquired not only a new custodian, but also a friend. Dick was very much a part of school life for the eight years that he was here until his death in 1978.

Dick was in the Navy during World War II and was in Pearl Harbor at the time it was bombed by Japan. His family received an honorary letter of commendation in his name from the President for his service to our country.

He will always be remembered by all.

# Farewell Message to the Seniors

The production of any yearbook takes considerable time and effort. All of us want to express our appreciation to the annual staff especially to the editors, Shelley Fetherston, Michelle Holmes, and LeAnn Kettleborough.

I feel certain that the Board of Education, the administration, and the teachers want to extend a special congratulations to those seniors that have truly earned a diploma from high school in a time when so much emphasis is being placed on rights at the expense of emphasis on responsibility. It is from responsible people that democracy depends for its very existence. It is hoped that more and more of you will join the ranks of the responsible people as you grow and mature into adulthood. As this occurs you can truly say that you as a class have earned our respect and congratulations.

*Paul F. Embree*

I would like to take this opportunity to congratulate the 1979 seniors on their graduation from Anselmo-Merna High School.

The future will hold many challenges for you, try to keep in mind that the two things that will carry you through are (1) a positive and cooperative attitude and (2) a pleasing personality. Work hard at these two facets of your total self and I'm sure you will enjoy personal success and satisfaction in the future.

*Larry Canille*

# Editors

We live a day, and then that day is gone. We live a year, and that year is gone. A high school year, one of the happiest and best years of life soon fades from actuality. A dimly lingering memory is all that remains unless there is something to help us live those days again. May this book bring back those warm, friendly moments of high school life in 1978-79.

We would like to thank the annual staff and our advisor, Mr. Samuelson, for their cooperation and support in making this annual possible.

Editors:

# Class Will

I, PAMELA BAKER, being of sound mind and body, will my perfect attendance record to Kathy Myers, my nickname "Dolly" to Teresa Hughes, and my ability to wear suspenders right to Lisa Moniger.

I, MARK BATES, being of unsound mind and body, will my Waylon Jennings tapes to Randy Kettleborough and my 6th period janitor's job to Mr. Heffner and Mr. Caudle to keep them from roaming the halls.

I, DAVE BEALS, being of questionable mind and unquestionable body, will my car to Hank, my ability to drive safely to Erin Daily, and my ability not to break training rules to anyone who needs it.

I, PAUL BLAKEMAN, will my football ability to Andy Christen, my ability to get an excused slip to Irvin Phelps, my nickname to anyone able to stand up to it, and my fat body to Mr. Golden.

I, ELAINE BURNETT, will my ability to stay ungrounded to my little sister, Coral and Janie Olson, my ability to 'have fun' to Bonnie Geiser, and my position on the Senior 6 Volleyball Team to any unfortunate Senior next year.

I, DALE CANTRELL, will my good attendance at school to Doug Campbell, my ability to get along with Mr. Golden to Bryan McCormick.

I, DALE CHRISTEN, will my ability to lift weights to Mr. Boeka, my thinness to Mr. Caudle, and my slyness to Jeff Cramer.

I, PAUL CHRISTEN, will my long hair to Bryan Haskell and my ability to tell great jokes to Mrs. Grantzinger because she never really understood them. I will some additional spray to Mr. Osterhoudt to get him through a few more years of telling stories.
